## **RE: Execution details**

Dears,

I am sending details to execution of the fences :

- 1) Delivery Time is reduced from 90 to valid 60 days
- 2) Width of the fence is 2000-2500 mm with max. weight 3000 kg
- 3) Just straight execution (no curved profile)
- 4) resist to explosion speed at minimal level 40m/s (tj. 144 km/h)

Thank you.

Your sincerely,

L. Poláček
